UNACCEPTABLE

WHY

We know, trash cans are the least bit of your problems. Why bother with trash cans if they're just trash cans? Well it's more than just that.

- ⇒ On bad weather days, trash containers tend to fall over, leaving your area and your neighborhood with a mess.
- ⇒ A car might hit the trash container
- ⇒ Trash containers can attract unwanted critters (raccoons, skunks, etc).
- ⇒ People can go through your trash cans for personal information, such as bank statements , account statements, or your SSN.
